DYO ANNUAL CHAMBER MUSIC DAY 26 FEBRUARY 2012

First organised in 1983, the annual DYO Chamber Music Day is a popular event offering young musicians the opportunity to develop their chamber music skills in a fun and stimulating environment.

Open to DYO members and non-members alike, the Chamber Music Day is designed for players with some experience in chamber music and also for those who are completely new to ensemble playing.

During the day, each chamber group will take part in three sessions with their own individual tutor, learning the essential techniques of chamber music. Groups will be formed and music chosen according to age and ability. We also invite musicians who have already formed their own chamber group to enroll together and benefit from the advice of our professional tutors. Leading the groups will be our talented roster of DYO tutors, many of whom are familiar to veterans of Chamber Day and our Aravon summer courses.

Once again, we will also be offering a special percussion workshop, designed to give non-orchestral musicians such as piano and guitar players the opportunity to experiment with percussion instruments. This workshop is open to any musician with a minimum grade 2 standard. A wind and brass workshop will offer players of those instruments the experience of playing as part of a smaller ensemble.

An informal concert for parents starts at 3.30pm, allowing each group to perform the music they have worked on throughout the day. The most outstanding groups may be invited to take part in an upcoming DYO concert later in the year.

The cost is €50.00 per player, with a €10.00 discount for each additional family member. Players not already members of DYO will be required to pay an additional €15.00 for insurance purposes.

Participants should bring a packed lunch, a drink and a music stand. If you have special requests for repertoire, please indicate this on your booking form.

Spaces are limited for this very popular annual event. Do book early to ensure that you don't miss out!
